EDUCATION

.NET Full Stack Developer

Naresh IT, Hyderabad, 2025

Bachelor's of Computer Application

APS University, 2022-2025

SKILLS

- **Backend Technology:**

- C#
- .NET , .NET Core
- ASP.NET MVC
- ADO.NET
- Entity Framework

- **Frontend Technology:**

- HTML
- CSS
- Bootstrap
- JavaScript
- React
- JSX

- **Database Technology:**

- MS SQL Server

SOFT SKILLS

- **Communication:** Clear and effective in conveying technical concepts.
- **Quick Learner:** Ability to rapidly learn and apply new technologies.
- **Time Management:** Efficient in managing tasks and meeting deadlines.
- **Leadership:** Experience in leading project development and coordinating tasks.

PROFESSIONAL OVERVIEW

Full-stack .NET developer skilled in building end-to-end web applications. Proficient in developing robust back-end services with **C#, ASP.NET Core, and Entity Framework**, combined with creating dynamic, responsive interfaces using **React, JavaScript, and Bootstrap**. Demonstrated ability to transform concepts into fully-functional applications through projects like Bank Management and Restaurant Billing System. A quick learner with strong problem-solving skills, eager to contribute to a team and grow as a professional developer.

PROJECTS

Restaurant Billing System | React, JavaScript, CSS

- Developed an interactive restaurant ordering interface featuring categorized food menus and item selection functionality
- Implemented a user-friendly payment section with clear pricing breakdown and transaction processing flow
- **Live Demo:** dhruvtamrakar.github.io/

Bank Management System | React, JavaScript, CSS

- Built comprehensive banking application for customer and account management
- Implemented secure transaction processing and data management
- Applied OOPs concepts for modular and maintainable code

STRENGTHS

- Strong foundation in OOPs concepts and C# programming
- Experience with ADO.NET data access models
- Proficiency in SQL Server and LINQ queries
- React state management and component-based architecture
- Responsive web design and cross-browser compatibility
